To Sir Thomas Lawrence P.R.A. &c. &c.

Sir

I am presenting to the Public the following imitations of a few of my Uncle's Sketches under your auspices. I am deeply sensible of the importance which the sanction of your pure taste and judgement will give to my work, and of your kindness in allowing me to inscribe it to you.

I have the honor to be, with the greatest respect,

Your much obliged friend,
Richard Lane.
